

Expression of Interest Form

Introduction

Completing this 'Expression of Interest' form is the first step in applying for a loan from Pure Leapfrog. Please complete it using a PC and the latest version of Adobe Reader which can be downloaded from <http://get.adobe.com/uk/reader/>.

This will be evaluated by the Pure Leapfrog team and projects will then be contacted and invited to commence the more time consuming formal application process.

Pure Leapfrog selection will be based on an attempt to achieve a mix of geographic locations, technologies supported and types of host organisations. Particular emphasis will be placed on supporting projects that deliver environmental, social and economic benefits to the 50% most deprived communities in the country, as measured using the Government's Index of Multiple Deprivation.
